2.5 Brief Summary of Project Activities and Outputs

*Overview in 1-2 paragraphs of what you actually did under this project, and in particular what your grant funding paid for.*

## 3. Reflection and Learning

3.1 How did your actual project activities develop and vary from your original plans, aims and objectives? What were the main areas of learning for your link group, and for the participants?

*Briefly highlight the key planning, monitoring & evaluation and learning issues emerging from this project. How would you describe the project's evolution to others in your community? What would share with other communities setting out to do similar work?*

**4. Building a ‘Sustainable Community Partnership for Development’ – the Gold Star Model.**

<p><b>4.1 Sustainability:</b> how has your project contributed towards long-term views for developing the link between, and within, both communities?</p>	<p><b>4.2 Community:</b> How has your project broadened involvement in your link from different sectors and people across the communities at each end?</p>
<p><b>4.3 Partnership:</b> how has your project deepened relationships, understanding and ‘togetherness’ between your two communities?</p>	<p><b>4.4 Development:</b> how has your project impacted upon and benefited ordinary people in both communities; and also the project participants?</p>
